## 2019 GIVING CAMPAIGN • BECOME A UNITED WAY FINANCIAL PARTNER TODAY!

### WE INVITE YOU TO BE PART OF THE CHANGE!

We work with our 33 non-profit partner agencies to create real, lasting change. We support community programs and initiatives that help those in need. By addressing the underlying causes of problems within our communities we can prevent problems from happening in the first place.

### WHAT DO WE STAND FOR?

Our focus is on **health, education & financial stability** because these are the building blocks for a good quality of life. We aim to advance the common good, which is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent. We all win when a child succeeds in school, families are financially stable, and people are healthy.

## WHAT A DOLLAR BUYS.

LIVE UNITED

United we fight. United we win. United Way fights for the health, education and financial stability of every person in every community. Your weekly contribution will add up to big wins for your local community. Live United.

You are part of the community, you have a stake in all these things, and want to contribute to the solution. Make a difference. Give. LIVE UNITED
