United Way of Southeast Alaska Welcomes New Board Member

United Way of Southeast Alaska is happy to welcome new board member, Emil Mackey is currently a licensed Insurance Agent and owner of Country Financial, an insurance company affiliated with the Illinois Farm Bureau with other offices serving Alaska since 1980. Emil is a member of the Juneau School Board. Mr. Mackey was elected to fill a three-year term on the Board.

Chair Jennifer Treadway welcomed Emil to the board, noting that since 1974, United Way of Southeast Alaska has been working to “advance the common good” by recruiting people and organizations throughout the region to identify community issues, focus a response and effect change. With its recent “Live United” movement—based on the idea that extending a hand to one improves society for all—the United Way outlines a simple strategy for those wishing to take part in Southeast Alaska’s philanthropic process: “Give, Advocate, Volunteer.” Chair Treadway noted that Mr. Mackey is a leader in the community and will be a valuable addition to the United Way board.
